Iteration #2 Retrospective

Team Name: ____________

Scrum Master: Record major events from this iteration onto the “moodline”. Write an event’s name approximately when it happened (horizontally), and if it was a happy or sad event (vertically).
Team Improvement Tasks

In the previous iteration we suggested the following improvements. Here is our evaluation of them:

1. Improvement: _____________________________________________________________
   
   Did it work? _____________________________________________________________
   
   _________________________________________________________________________
   
   _________________________________________________________________________

2. Improvement: _____________________________________________________________
   
   Did it work? _____________________________________________________________
   
   _________________________________________________________________________
   
   _________________________________________________________________________

This coming iteration, our team commits to improve our team by... (be specific, have a plan of attack)

1. _________________________________________________________________________
   
   _________________________________________________________________________

2. _________________________________________________________________________
   
   _________________________________________________________________________

Team members present today
(first name first):

1. __________

2. __________

3. __________

4. __________
